which was Robt W. Taylor, the present State might still have been traveling over Republican candidate for Auditor of State, was appointed to investigate his books and accounts. They were employed six long secounts. They were employed six long secounts and to mouth in their old log cabins, and very little progress could have been made in ALSO.

ALSO:

240 ACRES in Hancock county, near hand to mouth in their old log cabins, and very little progress could have been made in ALSO:

ALSO: secounts. They were employed six long very little progress could have been made in mouths, sifted the matter thoroughy, as they thought, and came back and reported all right Although men of astute minds, they improvements infrared name that the matter thoroughy, as they multiplying and replanishing the earth, or having property in full view of, and handsomely overlooking the city. Those great public improvements infrared name that the matter thoroughy, as they multiplying and replanishing the earth, or having property in full view of, and handsomely overlooking the city. Those great public interest to call upon right Although men of astute minds, they improvements infused new life into the were completely deceived by false certifis friends of progress, and millions of acres are cates, which were loaned the Treasurer by now cultivated by an industrious, Christian swindling banks, to present to the committee people, that would otherwise be a howling in lieu of the hundreds of thousands of delivideness. For these great benefits we are cultivation, balance good further, tish bisses. lars, which had been squandered. These indebted to such patriotic intelligent, and thisving, cheating banking corporations, by leaguing in with the incumbent, were onabled, under the old system, to deceive a copy.

With Citation, Morrow, and other distinations as great leaguing.

This is a great leaguing. bled, ander the old system, to deceive a com- guished friends of internal improvements mittee to an unlimited extent, and the publie funds were liable to be abstracted at any time, without the slightest danger of detection. Mr. Dennison is the representative of these banking interests, and openly and above board declares that he is pledged to the old system, under which a committee composed of the shrewdest men of his party in the State, could discover no signs of a defalcation. The Treasury might as well ministry than any other man living at the without any safeguards at all, as to have the system which Mr. Dennison supports, the system which Mr. Dennison supports, the system which Mr. Dennison supports, and the districts of this death. He had acted as President of the districts of this death. He had acted as President of the system which Mr. Dennison supports, and the districts of this death. He had acted as President of the system which Mr. Dennison supports, and the districts of this death. He had acted as President of the system which Mr. Dennison supports, and the districts of this death. He had acted as President of the system which Mr. Dennison supports, and the districts of this death. He had acted as President of the system which Mr. Dennison supports, and the districts of this death. He had acted as President of the system which Mr. Dennison supports, and the districts of this death. He had acted as President of the districts of this death. He had acted as President of the system which Mr. Dennison supports, and the districts of the series in Bancous County, and the districts of the series in Hancous County, and the districts of the series in Hancous County, and the districts of the series of the series in Hancous County, and the districts of the series of the series in Hancous County, and the districts of the series of the the system which Mr. Dennison supports, ing Elder in most of the districts of this restored. Not a dollar has been lost under State, and was in the Columbus district from the Independent Treasury Law; there are 1835 to 1839. His funeral took place Sun, no valid objections to it, and no reason why day at the Townest, Church, Columbus

which has now full swing in Proble county, Carper, of Somerset, himself a veteran ec and thinks it can tell any falsehood, how- laborer with the deceased. The interment ever base, without fear of contradiction says that Mr. Shideler is in favor of the ex. procession is said to have been one of the tension of slavery. What absurdity! Why largest ever witnessed in that city. can't the Republican party carry on an election without dragging the everlasting nigger question into the canvass? In the where success is certain. The position, valabsence of any other objection to a candidate, they always set up the cry of "nigger, ue and cost of extracting the ere are definitely settled, and the profit upon a given

it should not be continued.

AN OUTRAGE.—It is a matter of regret to Sonore Company working with mules only, the Democratic members of the inst Legis- pays its expenses, and has sent on for a steam lature, all over the State, that the copies of engine of 25 horse power, which will enable the Journals and Reports of the Investiga. it to increase its receipts; the Santa Rita ting Commission, to which they are entitled, and other newer companies have equally have not yet been received. We are in- gratifying prospects of success. formed that they are in the Secretary of State's office, all ready for sending but are ly been tried at Catlin, Chemung co. N. Y and cause they contain matters which will be detrimental to the Republican cause if they become generally known. If they are thus dy, Miss Amanda M. Masters, to the extens detained, the Republican officials are very of \$1,000. The case has made much scancensurable. The Report of the Investigating Commission is the property of the peo. ple of the State, and it is an outrage to keep it from them, in order to assist in the election of men who will enact over again the iniquitous transactions which are there ex-

REMEMBER JUDGE SWAN,-It is a matter of anxiety to Judge Swan to know whether the people of the State will, as a whole, commend the course he honestly pursued in the affair of the Oberlin resours, or will approve the conduct of the Republican tate Convention in discarding him for what he considered to be a just and righteous decision in that case. His friends, all over the ted State, should not forget to show their respect for his moral heroism and straight. spect for his moral heroism and straight.
forward course by voting at the polls against
Wm. Y. Gholson, the negro trader, who received the nomination with the example of
Judge Swan's repudiation before him.

Their food was passed to them by attendants
who neither saw nor make to them.

Awkward Predicament Our friend of the Woodsfield Spirit of Democracy, thus shows up the awkward | Savara - The Baltimore Patrict thus bonpredicament in which the Opposition are ore a correspondent : likely to get if they succeed in electing

"Suppose Gholson should be elected."
Then suppose that "Davy," or "Ras" or "Ned" should escape from his master, and be captured, and the captured and capture be brought before Gholson, as Supreme Judge, what would be do?

Judge, what would he do?

"He has warranted them "slaves for life."
and if by any decision of his they should
be set as liberty, wouldn't Daggetsuc Ghol-Judge, what would he do?

"He has warranted them "slaves for life," and if by any decision of his they should be set at liberty, wouldn't Daggettsuc Gholson on the warranty?

If Gholson should make his warranty good by sending them back to slavery, wouldn't Dennison run him through with a bayonet?

bayonet?
"If Dennison should run Gholson through with a bayonet, wouldn't Tam Corwin "else yeste" Dennison "to a purer atmosphere—gaspend him—hang him up!"

"If Corwin should hang Dennison, would not Giddings and his Oberlinites 'welcome' Corwin with bloody hands to a hospitable grays. "Kansas Chief, (Republican).

Multiply and Replenish the Earth. This is a solemn injunction of the Alemighty Creater of the Universe, and we are constantly reminded of its importance of this command by the events passing around us. No nation or people so far as us only judge of the history of the past, were even all those painful and design on the latter of the female constitution is subject. It makes the female constitution is subject, it makes the female constitution is subject. before so highly favored as the people of the thefemale United States, and have greater responsibili-United States, and have greater responsibilities.
